§ 955.1 Jurisdiction, procedure, representation of parties.

(a) *Jurisdiction for considering appeals.* The U.S. Postal Service Board of Contract Appeals (Board) shall consider and determine appeals from decisions of contracting officers arising under contracts which contain provisions requiring the determination of appeals by the Postmaster General or his duly authorized representative or board. In addition the Board shall have jurisdiction over other matters assigned to it by the Postmaster General. The Board has authority to determine appeals falling within the scope of its jurisdiction as fully and finally as might the Postmaster General himself.

(b) *Organization and location of the Board.* (1) The Board is located in Arlington, VA and its mailing address is 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201-3078.

(2) The Board consists of the Judicial Officer as Chairman, the Associate Judicial Officer as Vice Chairman, and the Administrative Judges of the Postal Service. All members of the Board shall be attorneys at law duly licensed by any state, commonwealth, territory, or the District of Columbia. In general, the appeals are assigned to a panel of at least three members of the Board. The decision of a majority of the panel constitutes the decision of the Board.

(c) *Decisions on questions of law.* When an appeal is taken pursuant to a Disputes Clause in a contract which limits appeals to disputes concerning questions of fact, the Board may, in its discretion, hear, consider, and decide all questions of law necessary for the complete adjudication of the issue. In the consideration of an appeal, should it appear that a claim is involved which is not cognizable under the terms of the contract, the Board may make

§ 955.2

findings of fact with respect to such a claim without expressing an opinion on the question of liability.

(d) *Board of contract appeals procedure*—(1) *Rules*. Appeals referred to the Board are handled in accordance with the rules of the Board.

(2) *Administration and interpretation of rules*. Emphasis is placed upon the sound administration of these rules in specific cases, because it is impracticable to articulate a rule to fit every possible circumstance which may be encountered. These rules will be interpreted so as to secure a just and inexpensive determination of appeals without unnecessary delay.

(3) *Preliminary procedures*. Preliminary procedures are available to encourage full disclosure of relevant and material facts, and to discourage unwarranted surprise.

(4) *Time, computation, and extensions*. (i) All time limitations specified for various procedural actions are computed as maximums, and are not to be fully exhausted if the action described can be accomplished in a lesser period. These time limitations are similarly eligible for extension in appropriate circumstances, on good cause shown.

(ii) Except as otherwise provided by law, in computing any period of time prescribed by these rules or by any order of the Board, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a legal holiday in which event the period shall run to the end of the next business day.

(iii) Requests for extensions of time from either party shall be made in writing stating good cause therefor.

(5) *Place of filings*. Unless the Board otherwise directs, all notices of appeal, pleadings and other communications shall be filed with the Recorder of the Board at its office at 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201-3078.

(e) *Representation of parties*. Whenever reference is made to contractor, appellant, contracting officer, respondent and parties, this shall include respective counsel for the parties, as soon as

appropriate notices of appearance have been filed with the Board.

PRELIMINARY PROCEDURES

§ 955.2 Appeals, how taken.

Notice of an appeal must be in writing, and the original, together with two copies, may be filed with the contracting officer from whose decision the appeal is taken. The notice of appeal must be mailed or otherwise filed within the time specified therefor in the contract or allowed by applicable provision of directive or law.

§ 955.3 Notice of appeal, contents of.

A notice of appeal should indicate that an appeal is thereby intended, and should identify the contract (by number), the department and agency or bureau cognizant of the dispute, and the decision from which the appeal is taken. The notice of appeal should be signed personally by the appellant (the contractor making the appeal), or by an officer of the appellant corporation or member of the appellant firm, or by the contractor's duly authorized representative or attorney. The complaint referred to in § 955.7 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint.

§ 955.4 Forwarding of appeals.

When a notice of appeal in any form has been received by the contracting officer, he shall endorse thereon the date of mailing (or date of receipt, if otherwise conveyed) and within 10 days shall forward said notice of appeal to the Board. Following receipt by the Board of the original notice of an appeal (whether through the contracting officer or otherwise), the contractor and contracting officer will be promptly advised of its receipt and the contractor will be furnished a copy of these rules.
